# **BANGLADESH PUBLIC ADMINISTRATION TRAINING CENTRE**

SAVAR, DHAKA

#### TWENTY-EIGHT FOUNDATION TRAINING COURSE

#### The Centre

Bangladesh Public Administration Training Centre (BPATC) is an apex training institute in the field of public administration. Government officials of all cadres and other officials belonging to various departments and autonomous bodies receive training at BPATC. The Centre was established on 28 April 1984 as an autonomous organisation by merging former Bangladesh Administrative Staff College (BASC), National Institute of Public Administration (NIPA), Civil Officers' Training Academy (COTA) and Staff Training Institute (STI). It is 28 kilometres away from Dhaka city and is located in a beautiful terrain along Dhaka-Aricha highway near Jahangirnagar University. It has four regional centers in Dhaka, Chittagong, Khulna and Rajshahi.

The Centre conducts three core courses, namely, Senior Staff Course (SSC), Advanced Course on Administration and Development (ACAD) and Foundation Training Course (FTC). Joint Secretaries to the government and the equivalent from different departments and autonomous bodies participate in the SSC (duration 2.5 months). The ACAD is designed for Deputy Secretaries and equivalent from various departments and autonomous organisations (duration 2.5 months). New entrants of the Bangladesh Civil Service (BCS) and other class-I officers of the government take part in the Foundation Training Course (duration 4 months).

Rector, who is a senior secretary to the government, is the chief executive of the Centre. BPATC is staffed with 5 Members of Directing Staff (MDS) (Joint Secretary and officials of the same status), 13 Directors (Deputy Secretary and officers of the same status) and 74 other class-I officials of Deputy Directors, Senior Research Officers, Assistant Directors, Research Officers, Evaluation Officers etc.

# The Foundation Training Course

Foundation Training Course is the basic training course on Administration and Development. Bangladesh Civil Service Recruitment Rules, 1981 makes Foundation Training Course compulsory for all the new entrants to the Bangladesh Civil Service. The contents of this course are carefully selected so that the participants acquire the basic knowledge of the various theories, concepts and issues on Administration and Development. The course aims at building personality, stimulating creativity and instilling leadership qualities into the officers. The course also provides an opportunity to the officers to familiarise themselves with various dimensions of socio-economic development and leading problems of the country.

A number of extension lectures are conducted with external resource persons. The external resource persons, usually being the top civil servants of the government, share their experiences with the probationers. With such exposures, the participants are expected to be well groomed as career civil servants.
